MEMORANDUM FOR: Robert Gambino
Director of Security

FROM :
CIA Member, APEX Steering Group

SUBJECT : APEX Indoctrination Sub-groups

1. The Special Assistant to the DCI for Compartmentation has established two sub-groups (as yet unnamed) to establish the procedures for indoctrination into APEX. The first order of business for these sub-groups is to develop a familiarization function. ☐

2. The first group, to be chaired by DIA and to include as a minimum representation from CIA, NSA and DIA is to develop briefing items, TV material, handbooks, vugraphs and procedures for indoctrination of government personnel. The second group, to be chaired by SAFSS and to include at least CIA, NSA, and DIA participation, will carry out the same tasks for industrial personnel. ☐

3. This will call for close to full time participation for a period of several weeks. As both sub-groups are security oriented, it is requested that the Office of Security provide CIA members for both. It is assumed that officers would most logically come from the Special Security Center. ☐

4. I would appreciate your providing me with names of your designees by COB 28 January. ☐
